

MEMBER INVITATION · ALBERTA AND B.C.

TAKE CONTROL OF YOUR INSURANCE.

A captive insurer built by fire protection contractors, for fire protection contractors.

10 contractor companies already committed

2 provinces at launch: Alberta and B.C.

100% focused on the fire protection trade

MEMBERS SHARE THE UPSIDE

Members receive rebates tied to pool results. The rebate schedule is outlined in the member area.

BUILT FOR OUR TRADE

Liability, errors and omissions, pollution and umbrella cover written for sprinkler work.

CLAIMS DEFENDED

An on-staff forensic insurance adjuster, familiar with our industry and hired to defend sprinkler claims, reviews every claim over $10,000.

CLEAN RECORDS REWARDED

Elite tier for five years without a major claim, with a path in for everyone else.

THE ALLIANCE RISK PLATFORM

Our members' Risk Management Protocol. Built to stop claims before they start, and win the ones that come.

Job-site proof. Time-stamped photos before, during and after every install: the evidence that defends a claim.

Foam and pollution tracking. A record of firefighting foam use and exposure events.

Inspections on record. Testing and inspection logs captured on site and filed automatically.

Fast claim reporting. Report from site in minutes, with early screening so small issues stay small.
